The Claims Process

Prompt, caring claim service is one of our hallmarks. We process most claims within two weeks of receipt of a fully documented claim at our Warwick, Rhode Island and Hartford, Connecticut Customer Service Centers.

Total Control Account®

To help you through what can be a difficult, emotional, and confusing time, we created a method of payment (also called a settlement option)—the Total Control Account Money Market Option—to give you the time you need to best decide how you may wish to use your insurance proceeds.

If the amount of the proceeds payable to you is \$5,000 or more, we will usually establish a Total Control Account in your name once your claim is approved, unless a different settlement option was selected or you are not eligible for other reasons (see below). You will receive a package including a personalized checkbook, an explanatory booklet, a Customer Agreement (that gives you additional information regarding your Account in an easy to read question and answer format) and other materials. By using one of your personalized checks, you can **immediately** draw a draft on your Account for the entire amount at any time. Information regarding other settlement options available to you and thoughts to consider to help you through this difficult time also will be provided.

The insurance policy or contract may have provided other settlement options for payment of your proceeds. Unless the insured or policy owner pre-selected a specific method of settlement prior to the death, you may choose one of those options at this time by completing Section E of the Claimant Statement. If a settlement option was pre-selected for you, more information will be provided as your claim is processed.

These are some of the benefits of the Total Control Account Money Market Option:

- **GUARANTEED** — The full amount in your Account, including all interest, is fully guaranteed by the issuing company.
- **EARNING INTEREST** — The interest rate is set weekly, and will meet or exceed one of two nationally recognized indexes of money market rates. Interest is compounded daily and credited monthly. Generally interest earned on the Account will be subject to income tax; you may wish to discuss this with your tax advisor.
- **CONVENIENT** — You have easy, immediate access to proceeds in your account through personalized checks that will be sent to you once the claim is approved and processed. You will receive periodic statements that show the Account balance, interest earned, and other information about the Account.
- **FREE** — You pay nothing for this Account. There are no transaction or monthly service charges and there are no charges for reordering checks. There are no limits on the number of checks you may write.
- **FLEXIBLE** — You may write checks for a minimum of \$250 up to the full amount of the Account balance at any time. You may withdraw all or part of the money in your Account with no penalty or loss of interest.
- **FULL SERVICE** — Toll-free telephone access to specially trained Customer Service Representatives is available.
- **TIME TO DECIDE** — As long as you have money in the Account, your rights to other available settlement options are preserved, including the Total Control Account Guaranteed Interest Certificate, which permits you to lock in guaranteed interest rates for six months up to seven years. The Total Control Account Money Market Option, unlike a lump sum check, gives you time to decide what to do with your insurance proceeds.
- **BENEFICIARY DESIGNATIONS** — You can name a beneficiary (subject to applicable state law) to receive money held in the Account in case something happens to you.
- **VIEW INFORMATION ELECTRONICALLY** — Information about your TCA is available to you electronically through MetLife's eSERVICE web site. You may view your statements, transaction history, current balance and other information.

With the Total Control Account, you will receive:

- A Customer Agreement spelling out the exact terms of your Account in an easy-to-read question-and-answer format.
- A brochure providing information describing other settlement options is available, at no cost to you, including the Total Control Account Guaranteed Interest Certificate Option.
- Personalized checks are included to give you immediate access to your money. You may write checks, payable to anyone, for any amount of \$250 or more, to cover immediate expenses or for any other purpose.

We hope that the Total Control Account will help you rest a little easier knowing that your money is safe, earning a competitive interest rate, and accessible to you when you need it, giving you time to make financial decisions that are right for you.

If the amount payable to you is less than \$5,000, or the claimant resides in a foreign country, is a corporation, a partnership or similar entity, payment will usually be made in a single lump sum check, unless you select another settlement option at this time or the policy owner had pre-selected an alternate settlement option. For information on our other settlement options, if any, please refer to the policy itself. If the policy owner pre-selected a settlement option, we are required to carry out his or her wishes and you will receive full details when your claim is approved and processed.

Other Settlement Options

The insurance policy or contract may have provided other settlement options for payment of your proceeds. Unless the insured or policy owner pre-selected a specific method of settlement prior to the death, you may choose one of those options at this time by completing Section E of the Claimant Statement.

Additional Information

While submission of the completed Claim Form, the policy(ies) and an official certified copy of the death certificate satisfy our requirements in the majority of cases, the particular circumstances of your claim may require the submission of additional information.

Some of the situations that commonly occur are as follows:

Claim by Estate—If the executor or administrator of an estate is filing a claim, he or she must complete and sign the Claimant's Statement and also submit a copy of the appointment papers issued by the courts. Please take note that it is not necessary to submit a copy of the will with the claim.

Proceeds Assigned—If this insurance (or a portion of it) has been assigned as payment to a funeral home, you must complete the Claimant's Statement and submit it with a copy of the assignment, specifying the amount to be paid to the funeral home. If the policy was assigned as collateral by the Insured/owner prior to insured's death, the assignee must also sign the Claimant's Statement and submit it with a statement specifying the amount being claimed by the assignee. If the assignee is a banking or other financial institution, the Claimant's Statement should be signed by an authorized representative of that institution.

Beneficiary is a Minor—If a legal guardian of the minor child's estate or property has been or is going to be appointed by the courts, he or she must sign the Claimant's Statement and submit a copy of the court issued guardianship papers. Once the claim has been approved, the proceeds will generally be made available to the guardian (subject to any limitations on the guardian's authority). If a legal guardian is not going to be appointed, please notify us in writing. In this case, the Claimant's Statement should be completed on behalf of the minor by a parent or adult responsible for the child. Depending on the laws of the State where the minor beneficiary resides and the amount of money payable, it may be possible to avoid the necessity for the appointment of a legal guardian of the child's estate or property. You will be contacted with further instructions regarding any additional requirements for payment.

Accidental Death Benefit Claim—Before filing claim for Accidental Death Benefits, each policy should be checked to see if it includes an Accidental Death Benefit and if so, whether the insured's death is covered by the provisions of the benefit, or excluded by its limitations and exclusions. If a claim is being filed for Accidental Death Benefits, you may be asked to sign an authorization form that will enable MetLife and its affiliates to make inquiries with respect to the validity of this claim. In addition, please send us a copy of any available newspaper account, police or coroner's report.

For **New Hampshire** and **Vermont** Residents: If you have any questions about your claim, you may call us at 1(800) 638-5000 for MetLife Claims, 1(800) 388-4000 for New England Life Insurance Company Claims, and 1(800) 638-9294 for General American Life Insurance Company Claims.

For contracts issued in and residents of **Illinois** only: Unless a payment is made by the Company on this claim within fifteen (15) days after receipt by due proof of loss, interest on the claim settlement will accrue at the rate of 9% from the date of death to the date of payment for the total amount payable.
